LICENSING & REVIEW

Sir:

In reply to the Requirement to Provide Proper Security Status of Application, Applicant's representative has submitted the attached letter to ASPAB on August 3 requesting that the above application be classified as "confidential".

Applicant's representative has been unsuccessful in obtaining a confirmation from ASPAB that authorization has been forwarded to the Patent Office to place this application under a Secrecy Order.

Applicant's representative will submit such information as soon as such confirmation is received. In the interim, the Patent Office is requested to treat the application as confidential until this matter can be resolved.

PATENTS ACT 1977

CONDITIONAL PERMIT FOR FILING A PATENT APPLICATION
OUTSIDE THE UNITED KINGDOM

Application No. GB0014359.4

Filed 5 June 2000

On **22 June 2000** directions were given under Section 22(1) prohibiting publication of information contained in the above-numbered application for defence reasons. The directions are still in force, but the applicant is hereby authorised to apply in the **UNITED STATES OF AMERICA** for grant of a patent in respect of matter contained in the application, subject to the conditions set forth below:-

- (1) The application has been classified by a defence authority of the United Kingdom as **RESTRICTED** and the receiving Government shall be requested to place the corresponding application in secrecy and accord it at least the equivalent security classification.
- (2) The corresponding application shall be abandoned if this action becomes necessary to ensure secrecy.
- (3) All correspondence relating to the corresponding application shall be transmitted solely through officially recognised adequately secure communication channels. All persons in the receiving country required to deal with the patent application there shall have been authorized to have access to such security classified information and be able to provide adequate physical security.
- (4) The applicant shall make available to the receiving Government for defence purposes a copy of the application filed in that country.

This permit applies only to matter disclosed in the United Kingdom application, and it does not authorise the making of an application under the European Patent Convention or the Patent Cooperation Treaty.
